

OneAero announces the 2009 OneAero Top Shop Awards winners. These 13 repair centers from around the world were voted best in class for superior customer support, exceptional turn-around-times and competitive pricing. "OneAero is honored to present these awards to those who lead the industry by example." said Justin Spaulding, President of OneAero LLC.

In mid-January, over 8,000 industry professionals were invited to nominate repair facilities for 10 categories ranging from Best Overall Solution to Best Gyro Repair.
